## CLAUSULEBLAD AP1801

### Artikel 1 Allianz Pensioen Beleggen

Ieder kwartaal wordt de fondsverdeling voor zowel de beleggingswaarde als de nog te betalen premies door de verzekeraar getoetst aan het beleggingsschema dat op de (gewezen) deelnemer van toepassing is volgens het pensioenreglement, de deelname bevestiging en/of het meest recente mutatieoverzicht.

### Artikel 2 Automatische fondswisseling

Als de fondsverdeling op de in het eerste lid genoemde datum afwijkt van de fondsverdeling op basis van het in het eerste lid bedoelde beleggingsschema zal de verzekeraar:

- a. een automatische fondswisseling doorvoeren voor de beleggingswaarde, en
- b. de fondsverdeling voor de nog te betalen premies herzien.

Een automatische fondswisseling vindt plaats tegen de koers op de in het eerste lid bedoelde datum. Als op de premievaliddatum geen koers wordt bepaald, geldt als koersdatum de eerstvolgende dag waarop weer de koers wordt bepaald.

Voor een fondswisseling die noodzakelijk is om de fondsverdeling in overeenstemming te brengen met het beleggingsschema, worden door de verzekeraar geen kosten in rekening gebracht.

De (gewezen) deelnemer heeft niet het recht naar eigen inzicht van fonds(en) te wisselen anders dan ingevolge het artikel 'Beleggingskeuze en wisselen van beleggingskeuze'.

#### Artikel 5 Aanpassing beleggingsschema en de fondsverdeling

- De verzekeraar heeft het recht zonder voorafgaande toestemming van de werkgever en de (gewezen) deelnemer het beleggingsschema, de fondsverdeling per beleggingscategorie en de fondsen te beperken of aan te passen voor alle pensioenverzekeringen of voor bepaalde groepen verzekeringen.
- Een wijziging als bedoeld in lid 1 wordt van kracht op een door de verzekeraar vast te stellen tijdstip en zal door de verzekeraar schriftelijk aan de verzekeringnemer worden meegedeeld.
- Onverminderd het bepaalde in lid 4 en lid 5 zullen na sluiting van een fonds de investeringspremies die voortvloeien uit een wijziging van de verzekering, in een ander fonds worden ondergebracht. Een verhoging van de premie wordt hierbij steeds beschouwd als een wijziging van de verzekering, ook als deze verhoging of de hieraan ten grondslag liggende methodiek reeds voor de sluiting van het fonds is overeengekomen.
- De verzekeraar kan op het moment dat een beleggingsmogelijkheid wordt aangewezen, bepalen dat alle na sluiting van het betreffende fonds nog voor dat fonds te betalen premies, in een ander fonds worden ondergebracht.
- De verzekeraar kan op het moment dat een beleggingsmogelijkheid wordt aangewezen, bepalen dat na sluiting van het betreffende fonds, de in dat fonds geïnvesteerde waarde in een ander fonds zal worden ondergebracht.
